

Our Home Learning Offer - KS2

GOOGLE CLASSROOM

Google Classroom is an online tool where teachers share home learning, resources and a where children can submit their work.

MATHS

TTRS is an educational game that helps children practice and improve their multiplication skills in a fun and engaging way. It encourages students and improve their speed and accuracy in recalling times tables.

READING

Children should be reading daily for 10 to 20 minutes and Serial Mash provides children with a range of online books and online comprehension questions.

SPELLING

A simple, online, multiple-choice spelling quiz. Children listen to the word, then the word within a sentence and finally the word again. They then have four choices and must select the correct spelling.

CURRICULUM

Purple Mash offers a wide range of educational activities and resources across various subjects, including maths, English, science and computing.

GRAMMAR

LearnEnglish Kids have lots of free online games, songs, stories and activities for children. For parents, there are articles on supporting children in learning English, videos on using English at home and information about English courses for your child.

CURRICULUM

BBC Bitesize is a website that helps children with their homework by providing educational resources and activities across different subjects like maths, science, history, and languages. It's a useful tool for learning and revision outside of the classroom.

CENTURY

Century is an online platform that provides children with the opportunity to practice writing, reading and maths skills through interactive exercises, helping them build confidence.

Our Home Learning Offer - KS1

GOOGLE CLASSROOM

Google Classroom is an online tool where teachers share home learning, resources and a where children can submit their work.

MATHS

Numbots is an educational platform designed to help children improve their numeracy skills, particularly in the context of learning mathematics and arithmetic.

READING & PHONICS

Little Wandle is a program that helps children learn to read and write by teaching them letter sounds and how to put them together to make words. It uses stories and characters to make learning enjoyable for young children.

SPELLING

A simple, online, multiple-choice spelling quiz. Children listen to the word, then the word within a sentence and finally the word again. They then have four choices and must select the correct spelling.
